WELCOME TO THE (EVEN FASTER) LANE.

Congratulations! You have successfully registered Canadian Automatic Sprinkler Association in the National® Business Benefits Program.

Canadian Automatic Sprinkler Association's Corporate Contract ID is: **EP101896**

Your next step is to invite each of your traveling employees to enroll in the program and become a member of The Emerald Club.® To make this easy, we have provided a customizable email, which you can access via the link below. The email will contain another link to the enrollment page that each employee must complete, referencing Contract ID EP101896. Depending on your company's size and rental volume, a National sales representative may contact you with additional custom options. Until then, you can still enroll your travelers in The Emerald Club through this email.

If you have any questions, please feel free to contact us at 1-877-707-1086 (Monday-Friday, 8 a.m.-5:30 p.m. CST). If you requested information on setting up custom billing options, you'll receive additional information and instructions in the coming week. In the meantime, your travelers can take advantage of the Business Benefits Program rates and protection by using business or personal credit cards.

For your records, your custom Emerald Club enrollment link is <https://www.nationalcar.com/offer/EP101896>. Please click on the button below to proceed to the Traveler Invitation page to invite your travelers to join The Emerald Club.

NOTE: After you enroll, we may contact you directly to discuss customizing or enhancing your company's National Business Benefits Program.
