*To enhance the level of life safety  
and property conservation from  
the effects of fire through the  
use of fire sprinklers.*

Serving the fire sprinkler industry for over eighty years the Canadian Automatic Sprinkler Association is a trade association whose objectives are to:

Promote, defend, enhance and improve the business of installing fire sprinkler and suppression systems;

Foster and promote the recognition of the fire sprinkler industry as a unique identity in itself;

Conduct such programs and projects as are in keeping with these objectives, including, but not limited to:

Engineering Service, Insurance, Building and Fire Codes, Federal Liaison, Labour Relations, Exhibitions, Technical Certification/Training, Legislation Seminars and Workshops, Field Programs and Networking Publications.

**Benefits** – A CASA Student Membership will keep you fully informed in all areas of sprinkler protection through membership publications.

## **CASAnotes Magazine and QR**

In electronic format are filled with industry news events, these publications cover local, provincial, regional and national activities of CASA members.

Membership also entitles you to the same significant price reductions enjoyed by other industry members on a wide range of CASA publications, seminars and products.

You will have access to CASA's professional staff for technical assistance.

The Association also assists local jurisdictions interested in developing legislation to increase fire and life safety in their communities.

## **Student Member Category Definition**

This is a non-voting category

Any person who is enrolled as a student in a post-secondary college or learning institution in Canada for the period of enrollment NOT in the employ of a company or corporation that fits in any other category of membership.

## **Membership Fees**

The annual cost of a Student Membership is:

\$20.00

Plus 13:% G.S.T. (#R100760123)
